\*1 All legal or illegal human-caused gray wolf mortalities associated with hunting during the open season will be counted towards the quota. All mortalities will be factored into the 2014 minimum wolf population estimate. For further information on specific non-hunting caused mortalities see the Wyoming Gray Wolf Management Month Updates at: <http://wgfd.wyo.gov/web2011/wildlife-1000380.aspx>

**This will be updated when a wolf harvest is reported.**
